

Federal Property Management Regulations

§ 101-47.312

(b) Terminate the lease or other instrument by notice or negotiated agreement; and

(c) Dispose of any surplus Government-owned improvements located on the premises in the following order by any one or more of the following methods:

(1) By disposition of all or a portion thereof to the transferee of the lease or other instrument (not applicable when the lease or other instrument is terminated);

(2) By disposition to the owner of the premises or grantor of a sublease, as the case may be, (i) in full satisfaction of a contractual obligation of the Government to restore the premises, or (ii) in satisfaction of a contractual obligation of the Government to restore the premises plus the payment of a money consideration to the Government by the owner or grantor, as the case may be, that is fair and reasonable under the circumstances, or (iii) in satisfaction of a contractual obligation of the Government to restore the premises plus the payment by the Government to the owner or grantor, as the case may be, of a money consideration that is fair and reasonable under the circumstances; or

(3) By disposition for removal from the premises.

Provided, That any negotiated disposals shall be subject to the applicable provisions of §§ 101-47.304-9 and 101-47.30-12. The cancellation of the Government's restoration obligations in return for the conveyance of the Government-owned improvements to the lessor is considered a settlement of a contractual obligation rather than a disposal of surplus real property and, therefore, is not subject to the provisions of §§ 101-47.304-9 and 101-47.304-12.

§ 101-47.313 Easements.

§ 101-47.313-1 Disposal of easements to owner of servient estate.

The disposal agency may dispose of an easement to the owner of the land which is subject to the easement when the continued use, occupancy, or control of the easement is not needed for the operation, production, use, or maintenance of property owned or controlled by the Government. A determination shall be made by the disposal agency as to whether the disposal shall be with or without consideration to the Government on the basis of all the circumstances and factors involved and with due regard to the acquisition cost of the easement to the Government. The extent of such consideration shall be regarded as the appraised fair market value of the easement. The disposal agency shall document the circumstances and factors leading to such determination and retain such documentation in its files.

The disposal agency may grant easements in or over real property on appropriate terms and conditions: *Provided*, That where the disposal agency determines that the granting of such easement decreases the value of the property, the granting of the easement shall be for a consideration not less than the amount by which the fair market value of the property is decreased.

(b) *Compliance reports.* A written report shall be made of all compliance investigations conducted by each agency compliance organization. Each disposal agency shall maintain centralized files of all such reports at its respective departmental offices. Until otherwise directed by the Administrator of General Services, there shall be transmitted promptly to the Administrator of General Services one copy of any such report which contains information indicating criminality on the part of any person or indicating noncompliance with the Act or with the regulations, orders, directives and policy statements of the Administrator of General Services.
